

LAH SHARED LEARNING TEACHER/ASSISTANT GUIDELINES

I, _____, have read the LAH Shared Learning Guidelines, specifically the Statement of Faith, and agree my attitudes, instruction, and behavior will support these guidelines as I instruct the children. I recognize although there are many individual teaching philosophies and differences of faith, philosophies, opinions, and values of the families under my instruction, I will endeavor to support all students and families in love. Wherein my personal beliefs, opinions, and religious convictions differ from the Statement of Faith, I pledge that in my speech, manner, instruction, and attitude with students, instructors, and LAH members, I will not demonstrate these differences and will uphold the individual parental/family beliefs of my students.

Teacher/Assistant Guidelines: I commit to take responsibility for the instruction/assisting of the class for the term agreed. If I am unable to be present, I will contact the class assistant/lead teacher to make arrangements for the class. If the helper/lead teacher is unable to perform my duties, I will provide a substitute teacher and let a panel person know. Failure to fulfill my commitment will result in a \$25 fine payable to LAH before the next class session.

I have read the Specific Rules of Conduct and Discipline sections of the LAH Shared Learning Guidelines and pledge to uphold them and to encourage and expect students under my instruction to abide by the rules of conduct to which they have agreed. I will expect and require all students to act appropriately. I will assume responsibility for the expected care and treatment of the building. I will leave the room clean and neat for the next class. I will make sure all trash is in the trashcan, tables are wiped off, chairs are in place, etc. I will expect and require all students to uphold care and respect for the building.
