Students will use basic kitchen skills and basic math skills as they learn to budget for a business. Please bring a notebook and pen/pencil	11-18 yr olds	Kitchen	15	15	
*	Leadership: Leading with Liberty	Danny & Nora White	$10	Many leadership talks I heard while serving 21 1/2 years as a U.S. Marine Corps officer focused on how to lead a military unit, lead organizations, or develop your Marines to be better leaders. I don't recall ever hearing a military speaker share about how to lead yourself. This is part of why I founded Lead with Liberty, LLC in 2012 upon retiring from the Marines. Then in 2019, my wife and I co-founded Lead with Liberty Ministries to mentor Christian families. This class will be an interactive workshop, discussing a foundational leadership principle- "Know yourself and seek improveent-" by wrestling with the three following questions: 1. Who are you? 2. What are you doing here? 3. Why do you act and react the way you do?	12-18 yr olds	Orange	12	6	
*	Intro to Rocketry	Scott Long & Melissa Nisbett	none	Civil Air Patrol Introduction to Rocketry. Class will begin with a brief intro to rockets and use in history. Then class will progress to building foam rockets and launching. Finally, we will be using the *Rocketry STEM Kit* to build "beginner" Alpha III rockets concluding with launching them on the final class. This program's intent is to ignite an interest in aerospace education and the Civil Air Patrol which helps lead young people to explore varying careers in aerospace, engineering, leadership, commuiniy service, emergency services, and military service.	12-18 yr olds	Gym Near	12	13
